Payments for water are due in the office before 4:00 p.m. on the due date each month. A 10% late charge is added to your account after the due date if the full amount due is not paid. You then have 10 days from the due date to pay the original amount and the late charge before the service is disconnected. If the service is disconnected a reconnect fee of \$21.00 will be added to the original charge and the late fee before service will be restored. The refundable \$80.00 deposit will be reimbursed at the close of the billing cycle, current charges and delinquent charges will be deducted from the rental deposit at the end of the current month. Should the applicant desire to connect with the System in the future, all fees and connection charges will be due again IN FULL and any amount previously billed. PLEASE INFORM OUR OFFICE WHEN YOU VACATE THE PROPERTY SO YOUR ACCOUNT DOES NOT CONTINUE TO BE BILLED FOR WATER.
